

Sarah Spicer

RSA Student

Mentorship Level 3 (Acting)

Where are you from?

I'm from the small town of Redwater which is Northeast of Edmonton (and don't worry that does not make me an Oilers fan).

Why did you choose to come to Rosebud School of the Arts (RSA)?

I wanted to come somewhere that I could explore what it means to be an artist and how that is connected to my faith. Also, when I came on my scout week, I fell in love with the valley and the people here and could not imagine going anywhere else.

When did you start at RSA? When will/did you graduate?

I started my certificate program in September 2010 and I will be finished in September 2014.

What are your career goals? Do you have a specific theatre interest (acting, lighting, stage managing, set construction, costuming, etc.)

I want to continue acting but I would also be interested in running my own theatre company one day.

Will you be a part of any Rosebud Shows this year? Or shows anywhere else?

I just finished up two productions in Red Deer as part of Primestock's *Bard on the Bower* summer festival. I played Bottom in *A Midsummer Night's Dream* and the Grave Digger and other various roles in *Hamlet*.

Do you have a secret talent/interesting tidbit of information about yourself?

Secret talent?...uh...I pull a lot of funny faces and make realistic donkey noises. And I did competitive Hip Hop for a few years before coming to Rosebud. I've also discovered a love for choreographing dance.
